Fees

Against each course in the brochure (except on Gold Club courses) are 3 different fees, for example **£81.00 £69.00 £33.00**. They are respectively the Full Fee, the over 60 Concession Fee and the Concessionary Fee for those eligible as described below. On Gold Club courses the concessionary rate is the standard fee and the third fee applies **ONLY** to those on the means-tested benefits below.

Understanding Fees – Examples only			
	Full Fee	Over 60 Concession	Means Tested Benefit/Student Concession
ART	£81.00	£69.00	£33.00

Full fee – the standard fee that is to be paid by all students for whom none of the following apply.

Over 60 Concessionary fee – for any person over 60 years of age on 31st August 2008, unless eligible for the concessionary fee below.

Concessionary fee – for any person, to whom the following applies:

- In receipt of: Council Tax Benefit / Disabled Person's Tax Credit / Working Tax Credit / Housing Benefit / Income Support / Job Seekers Allowance / Pension Credit. If you are an unwaged dependant of someone in receipt of one of these benefits, you can also claim the concessionary fee. NB Single Person's Council Tax Benefit and Disability Living Allowance are not eligible for concessionary fees.
- 16-19 in full time education (subject to the receipt of written assurance from their head teacher that attendance on the course will not adversely affect other studies) and full time students at Suffolk New College.

If you wish to pay a Means Tested Benefit fee you now need to send us proof of your status BEFORE we can enrol you. For postal enrolments please send us a copy of your pay award document with the enrolment form. Telephone enrolments will be held and NOT put onto the system until a copy of your pay award document is received.

Where other services are included, (e.g. life models or classroom materials), or where small groups are planned, additional charges are made to the standard fee and no concessions are available on these additions. We have endeavoured to indicate where additional costs are charged.

Transfers and refunds

Suffolk New College would like all students to be on a suitable course of their choice. If, after a couple of course meetings you wish to transfer, this may be possible subject to space being available and the receiving tutor agreeing to the transfer. If the course to which you transfer is more expensive we shall need a supplementary payment to cover the difference. A full refund will be paid if for any reason Suffolk New College closes an advertised course (e.g. due to insufficient student numbers) before commencement. This refund will be in the form of a cheque. If the College has to cancel a single class, every attempt will be made to re-arrange the session but refunds will not normally be made for single cancelled classes. Refunds of course fees will not normally be considered after enrolment.
