# Frequently Asked Questions

## When should I apply for my college travel pass?

You should apply for your college travel pass as soon as possible from this point, using the [College's transport application form](#) to indicate how you wish to travel. You must do this, otherwise you risk being unable to travel to college. Once you have submitted your college transport application form you can then purchase your travel pass through the [College's online shop](#), 'EVOLVE'.

## What about paying for my college travel pass?

Apply for your travel pass first of all (using the College's transport application form) and then purchase your travel pass (no 'EVOLVE' purchase is required for SB1 or SB2 shuttle buses).

You are encouraged to purchase your college travel pass as soon as possible from this point as you cannot be issued with a travel pass without payment first being made. You must have a valid travel pass to travel by train and public bus otherwise you are breaking the law and risk being fined. You must also have a valid travel pass for the College's bus routes. Travel passes must be purchased through 'EVOLVE'. This is very important, because if you apply subsequently for a bursary and you are assessed as eligible, we can only reimburse travel costs that have been purchased through 'EVOLVE'.

'EVOLVE' is the College's online shop, accessed at [www.suffolk.ac.uk/shop](http://www.suffolk.ac.uk/shop). Travel passes can be purchased termly at a cost of £250 per term. There is no option to purchase an annual pass. Although we will reimburse you if you are eligible on assessment of your application for support through the bursary, should you leave the College early no refunds can be given as the College purchases the travel passes on your behalf.

## Is there any financial support available?

The College offers a number of different bursary schemes to students who meet the eligibility criteria. You must apply online to be considered for a bursary. For more details of the College's bursary scheme, access [www.suffolk.ac.uk/bursary](http://www.suffolk.ac.uk/bursary)

If you are making application for the bursary, please note that a travel pass will not be issued until we have fully assessed your bursary application. Therefore, you might wish to think about timings and consider whether you do need to purchase a travel pass in the first instance.

If you do purchase a travel pass and your bursary application is approved, then the cost of your travel pass (only if purchased through 'EVOLVE') will be reimbursed to you.

No reimbursement will be made for tickets purchased individually or for travel passes not purchased through the College's 'EVOLVE' system.

## Specialist transport

For students with special educational needs who may be unable to travel independently, please contact your local County Council for further information about specialist transport arrangements for post-16 education.

## Can I drive my own vehicle to campus?

Students can choose to bring their own vehicles on site. There is plenty of parking available and all car parks are free. Students must register their vehicle details at the point of enrolment and collect a 23/24 parking permit from their curriculum team. This must be displayed at all times when on site. (Polite notice: The College reserves the right to withdraw your right to park on campus should this become necessary. The College's

expectations will be explained to you so that you understand when it might be deemed necessary to remove a student's right to park – either temporarily or permanently).

## Suffolk New College travel overview

### We have 3 dedicated bus routes for 23/24:

- RC3 – Leiston via Saxmundham (as existing), operated by Belle Coaches
- RC5 – Sudbury via Hadleigh (revised), operated by Konectbus
- RC8 – Colchester North Station, via Ipswich railway station (new for 23/24), operated by Beestons

Termly travel passes cost £250.

You must complete the College's transport application form. Travel passes will be issued directly from the College.

### **\*\* New for 23/24\*\* - We have 2 Ipswich shuttle bus routes (these are complimentary, at no charge):**

- SB1 – Ipswich railway station
- SB2 – Ipswich Old Cattle Market bus station

We are pleased to be able to offer complimentary shuttle bus travel for 23/24.

The shuttle buses will leave from Ipswich railway station and Ipswich Old Cattle Market bus station.

Any student who wishes to travel to Suffolk Rural on one of our shuttle bus routes can do so free of charge. BUT - You must complete the College's transport application form. Travel passes will be issued directly from the College.

### **Travelling into central Ipswich by train**

If travelling into Ipswich by train, you must purchase a travel pass via the College's 'EVOLVE' system.

This will get you a Greater Anglia student pass which can be used to travel to Ipswich where you will then board the complimentary SB1 shuttle bus from the railway station. In addition, you will also be able to travel between your chosen station and Ipswich free of charge on evenings, weekends and half-terms with your travel pass – at no extra cost.

The SB1 will be located at bus stand C, located at the front of the station and will depart Mondays – Fridays at 08:15. The SB1 is a Beestons double-decker vehicle. To find it, exit the station and head to the right, until you see stand C.

We have given you some suggested timetables, these are meant as a guide only. Purchasing a travel pass does not buy you a seat on that specific service. The travel pass will enable you to travel between your home station and Ipswich. You are encouraged to refer to Greater Anglia online for full details of timetables. The

suggested service we have identified will ensure you get to the station before the SB1 is scheduled to depart (a later train will not get you to Ipswich on time for you to use the SB1).

Important reminder: Do not purchase your travel pass direct through Greater Anglia. ONLY purchase through 'EVOLVE'. If you purchase outside of 'EVOLVE' and you are later assessed as being eligible for the bursary, any travel costs incurred will not be reimbursed.

### **Travelling into central Ipswich by bus**

If travelling into Ipswich by bus, you must purchase a travel pass via the College's 'EVOLVE' system.

This will get you a First Bus travel pass (Ipswich Reds) which can be used to travel to Ipswich where you will then board the complimentary SB2 shuttle bus from the Old Cattle Market bus station. In addition, you will also be able to travel between your area and Ipswich free of charge on evenings, weekends and half-terms with your travel pass – at no extra cost.

You will get off your Ipswich Reds bus at the Cattle Market to get on the SB2. The SB2 will be located at bus stand L at the Old Cattle Market bus station.

We have given you some suggested timetables, these are meant as a guide only. Purchasing a travel pass does not buy you a seat on that specific service. The travel pass will enable you to travel between your starting station and Ipswich. Timetable information regarding First Buses can be accessed by clicking on the service number link in the relevant bus service timetable.

The suggested service we have identified will ensure you get to the bus station before the SB2 is scheduled to depart (a later bus will not get you to Ipswich on time for you to use the SB2).

Important reminder: Do not purchase your travel pass direct through Ipswich Reds. ONLY purchase through 'EVOLVE'. If you purchase outside of 'EVOLVE' and you are later assessed as being eligible for the bursary, any travel costs incurred will not be reimbursed.

Your travel pass will be issued by Ipswich Reds, via their smartphone App. (HOWEVER, please do not download the app until you have received instructions from the College on what to do next, following your travel pass application).

## Sudbury (dedicated bus to Rural)

If you are travelling to Suffolk Rural from Leiston and the surrounding areas, your journey is on a dedicated bus route.

The RC5 route was in operation last year, but the journey required partial travel on a different (public) vehicle, that being the number 91.

For 23/24, the original timetable has been reinstated, meaning there will be no need to change vehicles at any point.

Our travel pass for RC5 costs £250 per term. You must complete the College's transport application form.

## Woodbridge (bus from Woodbridge, then shuttle bus to Rural, via Ipswich)

If you are travelling to Suffolk Rural from Woodbridge and the surrounding area, your journey to Suffolk Rural starts by travelling into central Ipswich by public bus.

Our travel pass for the number 64 bus costs £250 per term. You must complete the College's transport application form.

*You can get an earlier bus if you wish, we have given this one as an example. This one will ensure you arrive at the bus station before the shuttle bus is scheduled to depart.*

Once you have arrived at Ipswich Old Cattle Market Bus Station, you will need to board the SB2 (Old Cattle Market shuttle bus). This will be located at the Old Cattle Market stand L.

The SB2 will come straight to Suffolk Rural, no stops will be made along the way as this is a direct route only. You will not be charged for travelling on the SB2. This is a complimentary college shuttle bus for all passengers, but you **MUST** make application for a seat so that we know you want to travel on it.

The SB2 is not available for members of the public, it is just for travelling between the Old Cattle Market bus station and Suffolk Rural.

You need to make application directly to the College for the SB2, so that we can issue you a travel pass. *(Please use the College's transport application form. You only need to complete one application form, on there you indicate how you wish to travel to the College, ie bus and shuttle bus).*
