Learner Disciplinary Policy

1. Purpose

The Learner Disciplinary Policy is designed to deal with incidents of serious and gross misconduct.

Full-time learners are advised of what is expected of them through their Steps to Success induction to the College, and through the Steps to Success weekly hour. Apprentices and part-time learners will be advised through introductory sessions. Ready to Learn - Code of Conduct to be agreed with full-time learners and learners to sign as part of Steps to Success - week one.

If learners are unclear of the expected standards of behaviour, they should seek help from their Link Tutor/Progress Tutor/Progress Coach or Student Services. This procedure is designed to ensure that all learners receive every possible assistance and support in order to continue and achieve their course.

Parent(s)/Carer(s)/NoK (if learners are under 19 or has an EHCP), sponsoring employers, will be informed in all cases of serious and gross misconduct and will be invited to accompany the learner to meetings/hearings.

A member of the Student Services team must attend hearings for gross misconduct for any learner that has an EHCP or is a high needs learner.

3. The Procedure

Serious misconduct

Head to investigate and issue Formal Written Warning where serious misconduct can be proven.

On receiving a verbal or written report on a learner's alleged serious misconduct the Head shall undertake enquiries/investigations, as they deem necessary, to establish the facts. The Head may decide, whilst the fact gathering is taking place, to put the learner on a "cooling off" period. If this is the case, the Head should communicate this to learner and NoK (as applicable).

If having considered the facts the Head deems that an incidence of serious misconduct has occurred that will formally meet with the learner to discuss the issue, advise why the behaviour was inappropriate and issue the Formal Written Warning. The reason for the Formal Written Warning will be explained as well as

the consequence of the learner failing to improve their 'behaviour' or a re-occurrence of the behaviour within a stated time period.

A Notice of Formal Written Warning signed and dated by both learner and Head will be sent to the learner. A record of the action taken will be recorded on ProMonitor or SMART Assessor.

A copy of the Notice of Formal Written Warning shall be sent to the Parent(s)/Carer(s) (if the learner is under 19 or has an EHCP), the sponsoring employer if appropriate.

The outcome will be recorded as a meeting on ProMonitor or SMART assessor by the Head.

Gross misconduct

Directors to convene Formal Disciplinary Hearing

On receiving a verbal or written report on a learner's alleged gross misconduct breach, the Director will decide if the learner and other person(s) involved should be suspended, with immediate effect, whilst they, or a nominated investigating officer, undertake enquiries/investigation as they deem necessary to establish the facts.

The Disciplinary Panel comprises of a minimum of three people to include:

1. A Director from another Directorate or Director of Safeguarding to act as Panel Chair
2. Learner's Director
3. Investigating Officer where this is not the Director
4. Student Services Manager (if Director of Safeguarding not present)
5. If the Learner has an EHCP or accesses additional Learning support, then a member of staff from the ALS team who works with the learner can sit on the panel.

The Learner's Director will call the Formal Disciplinary Hearing, writing to the learner (who may be accompanied by Parent(s)/Carer(s)/NoK, sponsoring employer, or legal professional advisor). The Hearing must be held within 10 working days and Parent/Carer/NoK should normally have a minimum of five working days' notice. If a learner is to be accompanied by a legal professional advisor, they MUST give the College two working days' notice of this, the College retains the right to also have a legal professional advisor in these circumstances.

If a physical hearing is not able to be facilitated, the College will communicate to all parties a suggested other medium and agree on a suitable platform. This could include Google Meet, Microsoft Teams or other.

The College will only send documentation prior to a Formal Disciplinary Hearing if requested by the learner, parent or legal advisor. This request must be put in writing to the Director. The documentation will be sent electronically no later than the day prior to hearing taking place. The Hearing may take place in the learner's absence if they fail or decline to attend without good reason.

If an incident took place whilst completing work experience and/or an industry placement, a key contact form that employer will be invited to attend or provide a statement in their absence.

The Formal Disciplinary Hearing will be conducted in accordance with/can have one of six outcomes.

1. No case to answer
2. Final written warning
3. Suspension for a fixed term (to be determined by the Disciplinary Panel)
4. Exclusion from a specific campus/industry placement for a period of time to be determined by the panel
5. Exclusion for the remainder of the academic year
6. Exclusion for the remainder of the academic year and a further period of time (to be determined by the Disciplinary Panel)

The decision will be agreed by the panel after the Hearing and communicated by letter.

A learner who is suspended or excluded will not be able to attend any of the College campuses unless stated until the period of suspension or exclusion has elapsed.

For outcome 2-6 a Record of Formal Disciplinary Hearing, will be recorded on Pro-Monitor and a copy sent with a covering letter signed and dated by the Panel Chair will be sent to the learner. A record of the hearing will be retained within the Executive team EAs.

A copy of the Record of Formal Disciplinary Hearing letter will be sent to the Parent / Carer/NoK (if the learner is under 19 or has an EHCP), the sponsoring employer if appropriate.

If outcome 3 (suspension for a fixed term) is decided by the panel, then the following must be followed:

- It is the responsibility of the Director responsible for the learner to arrange for work to be set and sent to the learner during a period of suspension. Work and any subsequent deadlines must be clearly communicated to the learner and also recorded on the learner's ProMonitor.
- A reintegration meeting must be arranged prior to the learner returning to college. This meeting is used to ensure the learner is supported to overcome any barriers to returning to college and re-integrating. Work set and completed during the suspension will be submitted at this meeting.

This meeting will comprise of

- Learner
- Parent/carer/Nok - if under 19 or has an EHCP

- Director
- Head
- Link Tutor/Progress Coach
- Member of ALS is learner has an EHCP or access ALS

The outcome and any subsequent actions from this meeting will be notified to the learner and NoK in writing and sent from the Executive Team Assistants, and must be recorded on ProMonitor, by the Director.

For outcomes 4-6:

- Director to record as a meeting on ProMonitor
- Formal notification to be sent to the learner and NoK in writing and sent from the Executive Team Assistants.
- Inform Student Data Team
- The learners ID badge will also be confiscated
- The process to appeal against the outcome of a formal disciplinary hearing can be seen.

Learners subject to Police Investigation

If the learner is suspended subject to investigations by the Police, it is possible that action might be taken by the College whilst this investigation is ongoing. The Police investigation would not in itself prevent the College from reaching its own conclusion, on the balance of probabilities, about what happened and therefore in such situations the College would respond on a case-by-case basis. This may lead to a long suspension, and the learner will be withdrawn if the suspension cannot be resolved in 4 working weeks.

Appeals

THE LEARNER must write to the Deputy Principal within 5 days of the date of the College letter confirming the outcome of the Suspension process. The learner's letter must clearly specify the grounds for the appeal. Learners may ask for help in writing the letter, and may ask Student Support for advice.

An appeal will only be considered when one or more of the following is evident: -

- There is evidence that the investigation of the incident has not made reasonable efforts to acquire all relevant information; or
- New evidence has become available that could affect the decision and resulting penalty; and/or
- There is evidence of prejudice or bias.

An appeal against a Suspension process outcome, which is not exclusion, will be considered by the Deputy Principal. If any one of the above 3 grounds are satisfied, then the Deputy Principal will review the evidence presented in the appeal letter in relation to the sanction imposed.

The Deputy Principal will write to the learner (copying in parent/carer if under 19, and where they have an EHCP if over 19) within 5 working days of receipt of the appeal.

If the sanction is exclusion and the appeal satisfies 1 of the 3 grounds for appeal then a Disciplinary Appeals Panel will be convened.

The Executive team will appoint 3 members of senior staff to serve on the Disciplinary Appeals Panel. One will be elected to serve as Chair. The Panel will be made up of the Deputy Principal and Directors of Curriculum Area from parts of the College not associated with the excluded learner, and may include the Director of Student Services where applicable.

Any period of suspension being served by the learner will continue throughout the duration of the appeal. The Disciplinary Appeals process is an internal College process. The Director of Curriculum Area will be present to answer questions only.

Following consideration of the evidence the Disciplinary Appeals Panel may: -

- Reject the appeal and uphold the exclusion with an explanation as to why;
- Accept the appeal and revoke the exclusion, and recommend the learner returns to college (with or without conditions).

The outcome of the Disciplinary Appeals Panel will be sent to the learner in writing within 5 working days of the hearing and concludes the College's internal procedure. The decision of the Panel is final.

In circumstances where an excluded ex-learner behaves in a way that results in the College converting their exclusion to a permanent one, the right of appeal will not apply.
