When should I apply for my college travel pass?

You should apply for your college travel pass as soon as possible from this point, using the College's 'Dedicated Bus Travel' <https://www.suffolk.ac.uk/transport-form> to indicate how you wish to travel.

What about paying for my college travel pass?

You are encouraged to purchase your college travel pass as soon as possible from this point as you cannot be issued with a travel pass without payment first being made.

You must have a valid travel pass when travelling. If your journey includes an element of travel by train, you would be breaking the law if you were to travel without a valid pass and would risk getting fined.

Travel passes must be purchased through 'EVOLVE'. This is very important, because if you apply subsequently for a bursary and you are assessed as eligible, we can only reimburse travel costs that have been purchased through 'EVOLVE'.

'EVOLVE' is the College's online shop, accessed at www.suffolk.ac.uk/shop. Travel passes can be purchased termly at a cost of £300 per term. There is no option to purchase an annual pass. Although we will reimburse you if you are eligible on assessment of your application for support through the bursary, should you leave the College early no refunds can be given as the College purchases the travel passes on your behalf.

Please use the following URL to take you to 'EVOLVE'. This link will take you directly to the area where you will make your payment <https://www.suffolk.ac.uk/travel-pass>

Is there any financial support available?

The College offers a number of different bursary schemes to students who meet the eligibility criteria. You must apply online to be considered for a bursary. For more details of the College's bursary scheme, access www.suffolk.ac.uk/bursary

If you are making application for the bursary, please note that a travel pass will not be issued until we have fully assessed your bursary application. Therefore, you might wish to think about timings and consider whether you do need to purchase a travel pass in the first instance.

If you do purchase a travel pass and your bursary application is approved, then the cost of your travel pass (only if purchased through 'EVOLVE') will be reimbursed to you.

No reimbursement will be made for tickets purchased individually or for travel passes not purchased through the College's 'EVOLVE' system.
