## Travelling to Suffolk Rural

Getting to Suffolk Rural is easy. There is an extensive network of direct bus routes from across Suffolk and Essex.

### Suffolk County Council Transport

For routes 118, 119 and WE007 (Woodbridge onwards) you can apply to Suffolk County Council for a discretionary travel pass (16-18 year olds only). Endeavour cards are accepted on pay daily fares. For more information and online applications, please see the [Suffolk On Board website](#), email [passenger.transport@suffolk.gov.uk](mailto:passenger.transport@suffolk.gov.uk), or call 0345 606 6171.

### Suffolk New College Transport

For routes RC1, RC3, RC4, RC5, RC6 and RC7 (Felixstowe to Martlesham Heath) you must apply for a travel pass from the College directly. With the exception of the RC7 route (Woodbridge onwards), there is no option to pay daily. To make an application to the College for travel on one of our routes, please complete the [application form](#) (link will download automatically) and return it to [bursary@suffolk.ac.uk](mailto:bursary@suffolk.ac.uk); alternatively contact 01473 382750 to speak with our Bursary & Transportation Assistant. For timetables and bus information see overleaf.

If you are not sure which bus you should apply for, please contact our Student Support team, who will be happy to answer any questions you might have about your journey and how to get to us, at [support@suffolk.ac.uk](mailto:support@suffolk.ac.uk), or call 01473 382738.

### When should I apply?

Please ensure you apply for your travel pass in good time - contact the appropriate council directly for further information on their specific timescales. You do not need to wait until your course offer is confirmed or your bursary application has been processed (if applicable).

### Specialist Transport

For students with SEND who may be unable to travel by bus, please contact your local County Council for further information about specialist transport for post-16 education.

### Is there any financial support available?

There is a College Bursary Fund available, which can be applied for. If eligible, the bursary may be able to offer help towards travel costs. Please be aware that no bursary payments are made prior to students commencing their course, therefore any payments due before September will need to be made up front.

### Can I drive my own vehicle to campus?

Students can choose to bring their own vehicles on site. There is plenty of parking available and all car parks are free. Students will need to register their vehicle details at the point of enrolment and collect a parking permit from Student Support. This must be displayed at all times when on site.

## CORONAVIRUS (COVID-19): SAFE TRAVEL GUIDANCE FOR BUS PASSENGERS

For information shared by Suffolk County Council for safe travel guidance for public transport passengers at this time, please refer to their [FAQs](#). The College will post any information regarding safe travel guidance here ahead of September. Keep checking back in nearer to the start of term.
