

PUBLIC VALUES STATEMENT

Suffolk New College aims to add value to the social, economic and physical well-being of our whole community by:

- Within funding limitations, reflecting the needs of our whole community in the courses we offer for individuals and employers.
- Working with the Suffolk and Ipswich Chambers of Commerce, Ipswich Borough Council, Suffolk County Council, LEP and other key partners to identify and meet the education needs to meet economic challenges.
- Contribute to the local economy as a major employer as well as a provider of education and training.
- Maximise destination opportunities for our students into either employment or education opportunities.

These values underpin the Colleges Strategic Aims:

1. To provide outstanding learning and teaching and to aspire to become an outstanding provider through:-
 - a) promotion of and responding to the student voice whilst raising aspirations to gain high level qualifications;
 - b) promotion of and embedding of inclusivity, and equality and diversity, and to combat disadvantage;
 - c) securing positive destinations or academic progression for all students.
2. To demonstrate outstanding leadership at all levels through:-
 - a) playing a major external role in the community, economically, socially and culturally;
 - b) linking all curriculum areas pro-actively with employers through student related activities;
 - c) responding positively to Government priorities, targets and initiatives;
 - d) providing a safe and secure environment for students and staff;
 - e) being a great place to work;
 - f) delivering our aims within budget.
