Please ensure you apply for your travel pass in good time - contact the appropriate council directly for further information on their specific timescales. You do not need to wait until your course offer is confirmed or your bursary application has been processed (if applicable).

## Specialist Transport

For students with SEND who may be unable to travel by bus, please contact your local County Council for further information about specialist transport for post-16 education.

## Is there any financial support available?

There is a College Bursary Fund available which can be applied for. If eligible, the bursary may be able to offer help towards travel costs. Please be aware that no bursary payments are made prior to students commencing their course, therefore any payments due before September will need to be made up front.

## Can I drive my own vehicle to campus?

Students can choose to bring their own vehicles on site. There is plenty of parking available and all car parks are free. Students will need to register their vehicle details at the point of enrolment and collect a parking permit from Student Support. This must be displayed at all times when on site.
