

## Suffolk New College Covid19 Code of Conduct 'Social Distancing' - STUDENTS

This 'Code of Conduct' has been developed to help all people at College understand and respect Suffolk New College's arrangements for maintaining 'Social Distancing' on all our sites.

This Code of Conduct comprises of two parts:

- a) Suffolk New College's 'Social Distancing' standards and expectations
- b) Standards of behaviour expected of all staff and students on site

### Social Distancing Standards and Expectations

Our standards and expectations are explained in detail in our COVID-19 Induction, with the induction covering:

- Welfare - what measures are in place to keep 2m apart
- Keeping 2m apart when on site, as far as possible, or 1m with other actions to manage the risks
- Getting around College – keeping 2m apart when using corridors, toilets etc. Mandatory use of face coverings in communal areas.

### Standards of behaviour

- To wear masks where 2m distance is not achievable.
- Walk in 'single file' to your destination, following the designated routes

- Respect everyone's space, keep apart
- No hugging or touching will be allowed between students
- Food and drink will be available onsite, but no food or drinks should be shared.
- Students should report anyone they see not adhering to the protocols to a member of staff.

### Be patient, things may take slightly longer than before

- Follow instructions by staff who are there to help you keep 'social distancing'
- If you leave the College site at break times you are still bound by the Code of Conduct, act responsibly, maintain social distancing and do not gather in public places

***This will work if we all work together. Anyone not respecting this Code of Conduct may find themselves subject to further action, and being asked to leave the College site. Persistent and/or flagrant breaches of the Code of Conduct will be treated under Suffolk New College's disciplinary procedures. This Code of Conduct is in place for your safety and for everyone at College.***
